Night Bonfires On Beach Permitted

Bonfires on the ocean beaches here are again permitted, report coast guard officials. With military, city and county restrictions lifted, coast guard authorities said Thursday the ban on fires had been withdrawn.

Local councilmen never passed an ordinance forbidding fires, but police cooperated with the coast guard in keeping beaches free of them as a military security measure.

San Diego has an ordinance forbidding beach fires within 25 feet of the seawall at Mission Beach, however, and no fires are permitted in front of the bathhouse and dancehall at New Mission Beach. Fires also are banned in posted areas on city beaches.

Local Survivor Of Franklin Bombing Returns Home Here

Trapped for several hours in the fire room on the famous U.S.S. Franklin which recently came to New York on its own power after taking a terrific bombing attack by the Japs in the West Pacific March 19, Mathew Bryant, fireman first class, 21, of Ocean Beach, son of Mr. and Mrs. Ed Bryant of 4786 Muir Ave., is home on a 30-day leave.

Though not permitted to give details of the bombing, he stated that he and several other men were on duty in the Franklin's fire room when the Jap dive bomber's two bombs dropped on the carrier. Fortunately there were no casualties in the fire room, he said. Smoke and fumes forced them to devise unusual means to escape from the room.

Mr. and Mrs. Bryant had received a card on a Navy form stating that Mathew was in good health, and which was signed by him. They heard no more from him until he phoned them April 29 from New York and a week later the dailies published the stories of the Franklin's heroic escape.

The Bryants have another son, Pfc. Jess Bryant, 22, who is on duty with the Army in Berlin. He recently was cited for heroism in the battles of the Siegfried line, Aachen and the Belgian bulge.

Improvement Of Beach Front Here Suggested To C.C.

Ocean Beach Can Be Greatly Improved Says Al Hunt

Extensive improvement of the beach front here was suggested to the Chamber of Commerce at the June meeting, held Tuesday evening. Al Hunt, publicity committee chairman, emphasized that ocean front here is the one outstanding natural asset of Ocean Beach and that together with the buildings adjacent can be greatly improved, thereby attracting not only more business to this section but a high class recreation minded people.

Installation of a concrete wall where the present rock wall is located he suggested as the first step, the idea being to make sure that the shore line will be stabilized in one location. Second step would be filling-in the space between the wall and Abbott St. and third step would be to arrange for building restrictions that would make sure future construction near the shore line will be of high class.

Acting on suggestion of Chairman Milt Lancaster of the Interclub committee, a motion passed to send a letter to City Manager Fred Rhodes requesting the present status of the fishing pier improvement project at the foot of Del Monte Ave., and learn what steps are needed to insure completion of the project after the war.

Forest Whedon, of the committee on reorganization plans for the Chamber of Commerce, suggested that serious consideration be given to the establishment of an Ocean Beach office for this organization.

Chairman Martin Murphy of the post-war planning committee reported on an Army engineers hearing held last week in town on the Mission Bay development project. Col. R. W. Putnam of the engineers, he said, conducted the hearing, attended by about 100 interested persons, and at which City Planner Glen Rick gave the details of the project. Capt. Smith, for the 11th Naval district, strongly endorsed it and in fact all who spoke were in favor of the improvement, Murphy reported. Port Director Joe Brennan testified that an improved Mission Bay would fill the post-war need for smaller craft, including fishing boats that now are obliged to travel from the kelp beds out from La Jolla around Point Loma to San Diego bay, said Murphy.

Youthful Firebugs Start School Fire

Summer vacation being very near did not deter two youthful firebugs, one a boy of 8 and the other a boy of 7 from starting a fire in paper and cardboard under the Azure Vista school this week. When the fire got going they became scared and tried to put it out with sand. A janitor made the discovery in time and the lads were identified and questioned at their homes. Both promised faithfully never to "do it again."

Mail Box Theft Reported

Mrs. S. F. Bowdon of 4882 Niagara Ave. reported to the police this week that valuable mail had been stolen from her mail box, a part of which she had found in her yard.

Stolen Safe Found Near Robbed House

Ocean Beach police Wednesday recovered a safe near Elliott & Narcissus, which they report had been stolen Monday from the home of F. P. Wencker, 3546 Elliott St., while the Wenckers were in Frisco.

The safe was found in a trench, with door open, by Walter F. Moore, Charles S. Moore, both of Pescadero Ave. and C. H. Sommermayer of 4549 Brighton Ave. and their find reported to the officers.

Six war bonds totaling $750, also necklaces, brooches, kodak and personal papers were recovered.

Until the Wenckers return home June 15 a complete check of articles stolen is not possible, report the police.

25 Months War Highlights Told By Capt. O. W. Todd

Highlights of his 25 months war service in the Southwest Pacific were told the Ocean Beach Kiwanians at their meeting of Tuesday evening by Capt. O. W. Todd of the U. S. Marine Corps. He narrated his experiences while serving as a morale and recreations officer and was introduced by Myron Insko, program chairman for the evening.

The speaker particularly emphasized the kind and generous treatment given by New Zealanders to the 8,000 Americans who were ill at one time with malaria, contracted in the jungle fighting on nearby islands. "We Americans owe those people a debt we can never fully repay," he said.

Answering the criticism that the Marines may come back changed and possibly brutalized by their war experiences in the Pacific theatre, Capt. Todd said there is no foundation for such criticism and that when these boys come back "we'll find them the best citizens this world has ever seen."

At the business session, Treasurer Henry Holman was presented by President Jerry Sullivan with a pin signifying five years of perfect attendance at the meetings, and J. R. Lownes and F. F. Swan each with a one-year pin, signifying one year of perfect attendance.

Visitors Tuesday included Bob Fuller of the La Mesa club, Dick Barbour of the San Diego club, Al Keogh, theatre owner, a guest of Don Thomson; Lieut. James Williams,, a guest of Don Cochrane; and Wm. Getz, a guest of James Roberts.

At next week's meeting the anniversary of the establishment of the local club will be observed, President Sullivan announced.

Former Garageman Here Passes Away

Henry Eulberg, 58, of 4803 Long Branch Ave., a former proprietor of what is now the Ocean Beach garage for many years, succumbed Sunday to complications following a foot injury that he had suffered some six weeks ago while at work at Convair. He died in Mercy hospital and funeral services for him were held Thursday forenoon at Sacred Heart Catholic church, with Father E. F. Hannon officiating. Burial was in Holy Cross cemetery.

He was born at Alton, Iowa in 1886 and came west to Ocean Beach in 1917. Except for five years in northern California he had lived here ever since. He started the first garage here, and was a charter member of the Kiwanis club.

He and Louise Near, daughter of Mr. and Mrs. C. F. Near of Brighton Ave., were married here in the Catholic church August 20, 1919. Besides the widow, three children survive, Lawrence who is in the Navy and who came home by plane from the Atlantic coast for the funeral; and Eileen and Alvin, at home. Five brothers, of whom one is Adam Eulberg of Brawley, also survive.

J. K. Timmons Dies Suddenly Tuesday

Joseph K. Timmons, 3676 Voltaire, Ocean Beach real estate man, and a resident here for 17 years, was found dead in his office at 5000 Voltaire St. Tuesday. Evidently death was due to a heart attack.

Funeral services will be held Monday at 3 p. m. in Bonham Bros. chapel and entombment will be in Cypress View mausoleum. Rev. Dean McBride will officiate. Mr. Timmons was born 54 years ago at Augusta, Ga.

For some time he had been in the real estate and mortgage loan business here. He leaves three daughters, Joanne E., Betty Lou and Barbara Sue; one son, Jay Timmons; his mother, Mrs. Margaret E. Timmons, and a brother, Barnett S. Timmons, all of Ocean Beach. Another brother is Rev. W. C. Timmons of New Britain, Conn.

City To Ask For Bids On Recreation Center

Fred Kraft To Run For State Senate

Assemblyman Fred H. Kraft of Ocean Beach has decided to run for the state senate in 1946, for the seat now occupied by Sen. Ed Fletcher, according to dispatches in the daily press.

Kraft is quoted as saying he understood that Fletcher would not run again and that various organizations throughout the state have urged him to make the race. He said he intended to file on both the Republican and Democratic tickets. He is serving his second term in the Assembly, having been chosen first by the Republican county central committee to fill out the Republican ticket in the 1942 election when Mrs. Jeanette Daley, a candidate to succeed herself in the assembly failed to qualify. Commenting on Kraft's announcement, Senator Fletcher is quoted as saying:

"I am surprised that anyone should announce his candidacy for the state senate nearly a year ahead of time, but if I decide to run again, I will welcome a contest with Kraft," Other than comment, "if I decide to run again," Fletcher declined to elaborate on some reports that he might retire from the senate at the expiration of his current term, his third, four-year tenure of office.

WPB "Green Light" Spurs City To Early Construction

An announcement of special importance to Ocean Beach was made this week, when Acting City Manager Sam Roberts told the city council that bids will be sought next week for the long-worked-for recreation center to be constructed on property the city has bought across north from the Elementary school grounds. Recent "go ahead" signal given by the War Production Board paved the way for what now looks like an early start on the actual construction of the recreation building. Commenting on the announcement, Rev. James F. Roberts, who has been the leading promoter of the improvement here, stated this week:

"It was more than just 'good news' to the Civic committee which has worked so long and devotedly to give Ocean Beach a recreation center. It was one step closer to our objective; namely, to help meet the mental, moral and physical needs of all our families through recreational, social and cultural activities. We are grateful to the people in our community for their splendid support, not only in money but also in time, effort and work. The committee appreciates the encouraging words, the enthusiastic interest and loyal support of all the civic groups in our community. We will continue to work with the city for early construction of the building. We are already at work planning a recreational program that will meet the needs of our boys and girls."

To Be Living Memorial

"The community civic committee desires at this time to remind the community that the recreation center is to be a living memorial. The $7,000 received by the committee was with the understanding that it was toward a 'living memorial' as well as a recreation center. The 'living memorial' is not to be confused with the honor roll project sponsored by another committee. It is to be the finest and most beautiful recreation center in San Diego. We can assure the community that they will be very proud of this 'living memorial.' "

MR. AND MRS. J. B. ABBEY MARRIED 17 YEARS AGO

James B. Abbey and Florence Berry walked down the aisle of the Church of Our Savior in San Gabriel, Calif., June 20, 1928, making 17 years of wedded bliss this month. This prominent couple spent their honeymoon in San Diego, leaving in 1929 for Venezuela, South America, where Mr. Abbey was associated with an oil company in a legal capacity and Mrs. Abbey acted as interpreter for the same company. They returned to San Diego a year later, and now reside at 4430 Long Branch Ave. Instead of tossing her bouquet to the bridesmaides as is usually done, Mrs. Abbey gave the bouquet in a traditionally Spanish manner. The bride was blind-folded with a wide satin ribbon, and the bride and groom stood in a circle formed by the bridesmaids who walked slowly around the couple, then stopped as the bride found her way to the circle of girls and handed the bouquet to one of them. The wedding dinner was served in the court yard of the tiny old church and the decorations which were supervised by the bride's mother were unique. Rose trees in large containers were placed at intervals among the tables, giving the impression of a rose garden. A Spanish orchestra supplied the music and guitar players circulated among the tables as they dined. Four children have blessed this union, they are: Nancy, 11; Peter, 9½; Pepita, 5; and Jimmie, 3½ years old.

DR. AND MRS. ALFRED SAND MARRIED 20 YEARS AGO

Dr. Alfred Sand and Florence Laursen were united in holy matrimony just 20 years ago, June 11, 1925 in Minneapolis, Minn., in the Seventh Day Adventist church, with Minister O. J. Dahl, reading the services. Mrs. Sand recalls that her husband was a school teacher when they married, and she laughingly remembers starting on their honeymoon in a Dodge car which broke down in the rain. The young couple lived in New York seven years and Mr. Sand started to study medicine in 1931, graduating in 1935. They lived in Calpatra in Imperial Valley for three years and came to San Diego in 1935. Dr. and Mrs. Sand are the parents of two girls, Sandra Jean, 8 and Judith Anne, 6.

OSTERS WERE MARRIED IN ILLINOIS IN 1938

Dorothy Evelyn Wier and W. B. Oster became man and wife June 13, 1938 in Hinsdale, Ill. Taking the traditional honeymoon trip to Niagara Falls, the young newlyweds also took a boat trip up the river to Detroit and later went to Montreal, Canada. Dr. and Mrs. Oster have two children, a son, Billy, age 2, and a daughter, Linda Lou, 5½ years old. As this is being written, this couple is again vacationing in Canada and vicinity, according to reports from Mrs. Hibbard, sister of Mrs. Oster. They plan to return July 1.

JERRY SULLIVAN AND ELIZABETH HOLT WERE MARRIED 4 YEARS AGO

Jerry Sullivan and Elizabeth Holt were married in San Diego, June 15, 1941, in the First Congregational church, the Rev. O. R. Warford performing the ceremony. Mr. and Mrs. Sullivan spent their honeymoon in San Francisco, Sequoia National and Yosemite parks. The parents of a daughter, Anne, the Sullivans are expecting a blessed event in September.

Maybe Think

It isn't enough to be a success in a business or a profession, and a failure in your leisure hours.

—•—

The following notice was inserted in a rural weekly:

"Anyone found near my chicken house at night will be found there next morning."

—•—

"Are you a good golf player?"

"Yes and no."

"What do you mean?"

"Yes, I am no good."

—•—

Rosie Roseworth's boy friend was speaking to her Old Man, on the side:

"Mr. Jones, er— that is— would you— er— that is—" began the timid young man.

"Why of course you may have her, my son. When do you wish to marry my daughter?"

"Oh, it isn't that, sir, I was just wondering if you could loan me 5."

"Certainly not. Why, I hardly know you."

—•—

Prof: "What do you consider the greatest achievement of the Romans?"

Student: Speaking Latin!"

—•—

Officer: "What's the big idea? What are you men doing climbing trees and crawling through the bushes?"

Private: "Well, sir, we camouflaged the gun before lunch, and now we can't find it."

—•—

Men go to the theatre to forget; women, to remember.

—•—

Johnny was going through that familiar phase when life is just a bunch of questions. "Papa", he asked curiously, "does bigamy mean that a man has one wife too many?"

The old man rubbed his head thoughtfully. "Not necessarily, my son. A man can have one wife too many and still not be a bigamist."

—•—

"As I understand the case," said the judge, "you and your husband had an altercation, and you were kicked in the ensuing rumpus."

"No, sah, Jedge," replied Mandy. "Ah was kicked in de stummick."

—•—

"The success of a dictator depends on his keeping his subjects stomachs full ..and ..their ..heads empty."

—•—

Doctor: "No, ma'm, I can't give your husband something to make him stop talking in his sleep."

Wife: "Then give him something to make him speak more distinctly."

—•—

First Recruit: "I'll bet that town in Texas you call home is one of those places where everyone goes down to meet the train."

Second Recruit: "What train?"

—•—

The minister who preached from the text, "Be ye therefore steadfast," was surprised to see it reported in the paper as "Be ye there for breakfast."

—•—

We'd never know the sunshine
Unless we had the pain;
We'd never see the rainbow
Without a bit of rain.

—•—

No Luck

A maiden aunt was visiting in a home and the small girl of the family, scenting a blighted romance, asked some questions.

"Aunty," she queried, "did a man ever propose to you?"

"Yes, dear, on the telephone."

"What did you say to him?"

"I had to tell him, dear, that they'd given him the wrong number."

—•—

He: "Why does a woman say she's been shopping when she hasn't bought a thing?"

She: "Why does a man say he's been fishing when he hasn't caught a thing?"

BUY BIGGER BONDS —and More of Them!

Can we make it? We'll tell the world we can!

• Read that figure again, neighbor. It's not just a lot of numbers pulled out of a hat. It's our share, *your* share, in the mighty 7th War Loan.

Does it sound big, neighbor? Well, those Superforts that are plastering Japan are big—and cost *plenty*. Battleships are big—and cost *millions*. The job our fighting men are out to finish is big—and the cost is staggering.

So of course *our* job is big. But we can do it if you and every other patriotic American in this city buys a BIGGER bond than before—or invests a BIGGER portion of income in War Bonds *now!*

Two Drives in One

By this time last year, you had already subscribed in *two* War Loans. This 7th War Loan is like *two* drives in one.

Study the chart below. See what your country expects *you* to do in the 7th War Loan. Remember, *you* are part of America—a part of America's might!

DAD'S DAY—

Dad will have his day on Sunday, June 17.

And the man named as the "Father of the Year" for 1945 is none other than President Harry S. Truman. For the past three years American generals have had that distinction. General MacArthur was chosen in 1942, General Eisenhower in 1943, and General Mark Clark last year.

In peace time Dad usually received a new tie, a pair of socks, or some other such item from the family in observance of his day. But in these times the National Father's Day committee is trying to make the giving more practical.

As a part of the Seventh War Loan drive, the committee is recommending that families present Dad with War bonds as a gift. This "Mighty Seventh," which will help to bring the fighting fathers of our armed forces home to their loved ones sooner, is being spearheaded by the Nation's thousands of commercial banks which are contacting some 34 million depositors urging them to invest in War bonds.

The committee is also using this occasion to spur Americans to give greater support to America's fathers on the fighting line by sticking to their jobs, donating blood, welcoming back veteran dads with real jobs, and by supporting the war effort in every possible way.

Sentiment on Dad's day is natural and proper, but let us express that sentiment in the way that will do the most to re-unite with their families the tens of thousands of the Nation's fathers who are staking their very lives in the defense of their homes and country.

GUTENBERG IS SMILING TODAY—

With the publication of this free newspaper in Germany, another prop is knocked out from under the civilization Adolph Hitler promised would last a thousand years.

Had the German people been told the truth, National Socialism would have died within a decade. For Hitlerism and truth don't mix. One would have had to go. Truth went for a while. But in the end, exit Hitler.

The Stars and Stripes, an army paper, draws its news from many sources. Some are official, most are not. Much is written by its own staff, loyal to the tradition of a free press. Much comes from the rank and file of the army. In Mail Call, the soldier speaks his mind with the gusto of a free man. That's how Ike Eisenhower wants it. His order—that The Stars and Stripes be free—is based on the belief that soldiers old enough to fight the war are old enough to face the facts. To draw their own conclusions. Conclusions, freely reached, that in the end can be counted on to be correct.

At times, the news may seem irreverent. At times indiscreet. At times unfortunate. But the end product is an informed people. And an informed people doesn't goosestep to a dictator's tune.

Truth has kept America free. Freedom has made America strong. Strong in the ways of peace. And when threatened, strong in the ways of war.

Perhaps this free newspaper of a freedom-loving army will, along with our bombs and bullets, make an impression on German hearts and minds. The Germans have what it takes to win back their freedom. Good machinery. Good ink. Good paper. And a heritage of good printing that goes back to Gutenberg.

All they need is the truth. Perhaps some day the truth will make them free.—Stars and Stripes, G. I.'s own newspaper, in first edition to be published in Germany.

Peggy Maguire To Teach At Village School Of Art Here

Peggy Maguire of New York City will join the faculty of the Village School of Art of Ocean Beach, the new art school recently established here at the foot of W. Point Loma Blvd. A telegram stating that she expects to be here in July was received Monday, reports Carolyn C. Campbell, executive secretary of the school. The new instructor will specialize in portrait and figure painting.

The school announces that registration has started for the special children's classes that will be conducted by Mrs. Marian S. Louden and that the classes will start on July 9. Mrs. Louden, who is a graduate of Pratt Institute of Columbia University, has been teaching art in Washington, D. C. public schools for the past 20 years.

Boys Club Gym Is Goal In Drive

A campaign to raise $40,000 by popular subscription for an urgently needed gymnasium at the Boys' Club of San Diego, 2930 Marcy Ave., was announced this week by William J. Oakes, president.

The club is one of 240 similar units affiliated with the Boys' Clubs of America, and since it was opened in 1942 has been an important influence in the lives of hundreds of youngsters, providing them with recreational, industrial and social facilities. The structure was financed by contributions in 1941, the war preventing any expansion up to this time to meet greatly increased needs.

More than 1,000 boys, Oakes said, are enrolled as members, and the average daily attendance is around 150.

"The Boys' Club is carrying on a program designed to provide the youngsters with opportunities for utilizing their leisure hours to advantage," Oakes said. "They are being directed into paths of useful pursuits, and in the process are being trained for good citizenship. The club's work is limited only by the facilities we can make available for these youngsters, and the gymnasium has top priority. It is a work that merits the financial and moral support of the community."

AMERICAN HEROES

by WOODY COWAN

ALONE, thousands of miles from home, in the face of bursting phosphorous grenades, Sgt. Clifford S. Denslow, Dearborn, Mich., took a flame thrower, that the War Bonds some thoughtful person back home had bought to put into his hand, and advanced through the thick jungle to within a few feet of blazing hostile pillboxes. He was in a tight spot but he kept going. He turned on the flame, completely destroyed the emplacements and their machine guns and killed eight Nips.

Here's another Reason...

Why Telephones are Scarce

America's largest sky weapon is the B-29 Superfortress. With its elaborate communications system requiring the largest communications personnel of any combat plane, it is practically a flying radio laboratory.

This and other war communications equipment is being made in factories that in peacetime supply civilian telephone needs. That is why there is a shortage and why many people are now waiting for home telephone service.

If you are among those who are waiting, we want you to know that your patient understanding is a big help. And we will do everything we can to shorten the delay.

PROGRESS REPORTED ON COMING MINSTREL SHOW

Progress is being made on the forthcoming minstrel show to be presented at Wallace Hall. Rehearsals are held each Tuesday and Friday evenings at 8 o'clock in the hall. A cast of 40 people are expected to present a varied entertainment that will be fun for the entire family. A children's orchestra and a special accordion act are being sought at present. The stage of the hall is being rejuvented with new curtains, drops and wings, reports the show's manager. Clarence Dersch. A tentative date of July 8 has been set for the show's opening performance. A certain percentage of the proceeds will given for an Ocean Beach cause. The minstrel show is planned to be only one of a series of entertainments to be presented during the coming summer and fall at Wallace Hall.

Thanks to all the ladies of Ocean Beach who donated so generously of articles for the Recreation Center. We received everything asked of us. Thanks also for the wonderful cakes and cookies. Never have they been nicer than last week. Each cake was a work of art. We had seven cakes and two dozen cup cakes and 46 dozen cookies.

You know June 30 will be our "Red Cross and British Relief Garden party" in Balboa Park. They would like an apron, pot holder, cup and saucer, (dishes of any kind) table linen, dresser scarfs, guest towels, dish towels, luncheon sets, or any article that you might be willing to donate. All baby clothes and toys also are wanted. Most all of us have articles that we do not use or do not match with the scene of our homes that we might donate. All who can, please attend the "Garden party" June 30.

Did you know that there are 49 clubs under the supervision of Mr. S. A. Wood, county secretary of Y.M.C.A., called Hi-Y clubs. This summer they are going on an eight weeks camping trip and during that time will make flower balls for the Navy hospital. Already they have made 600 and expect to make at least 1000. They take a button and with string attach peat moss and into the moss they place little succulent plants and tie the moss into a ball. This ball is placed into a glass dish and each patient in the hospital has one of these gardens on his or her night stand.

There are about 1000 in this club and they certainly deserve a great deal of praise and thanks for the happiness they bring to our wounded and sick in our hospitals.

Don't forget to donate your blood it is so badly needed.

Wednesday is always "Cookie Day" at your Ocean Beach center.

Librarian Tells Women Of Recent Trip Into Mexico

Margaret Rankin, Ocean Beach librarian, told the Literature group of the Ocean Beach Woman's club at their final meeting of the club year Monday night that she was greatly impressed with what she saw of the buildings, scenery and trees in many of the cities of Mexico. She recently had ben a member of an 18-day conducted tour of Mexico and came back so enthused that she said she hoped to be able to visit Mexico again some time. She showed cards, pictures and other mementoes of the trip.

Her address was the highlight of a program enjoyed by about 40 women, most of whom have been regular attendants at the bi-weekly meetings of the group at the Woman's clubhouse at 2160 Bacon St. during the past club year.

A seven o'clock turkey dinner preceded the program, the women being seated at a "U" shaped table artistically decorated with flowers, greenery and pink candles. The officers, who were seated at the head table, were each presented with a corsage. Mrs. Julia McGarvey, on behalf of the group, presented Mrs. R. J. Long, the chairman, an autographed copy of Mrs. Belle Benchley's popular new book, "Animal Babies." Mrs. Paul Farrar, co-chairman, who will head the group the coming club year, was presented with a bouquet of flowers. Mrs. Long was in general charge of the event.

After dinner, Mrs. Long extended greetings to the group and introduced Mrs. C. W. Early, president of the Woman's club, who spoke briefly telling her experience of meeting both the national and the state president of the Federated Women's clubs during her recent trip to the World Conference at San Francisco.

At the business session the group voted $20 to start a revolving fund for the purchase of books and a case in which to install them at the clubhouse.

ELSIE BAER, GRADUATE OF MOOSEHEART SCHOOL, COMING HOME NEXT WEEK

Elsie Emily Baer, daughter of Mrs. Eleanor Baer of 5034½ Newport Ave., is coming home next week following her graduation on June 9 at the Mooseheart school conducted at Moooseheart, near Aurora, Ill. She had been at the school since 1939 and had specialized in cafeteria management. Moose Lodge No. 508 of San Diego is planning a celebration in her honor soon after her return here. Her sister, Doris, also is a student at the school. Two other of the Baer children, Ruth and Charles, are at home. Mrs. Baer has two sons in the service, Jack, who is on duty with the Navy in the Pacific and who has been gone for four years, and Henry, who is in the infantry of the Army on duty in Germany. He has been overseas for about three years, his first assignment being in the Pacific theatre. Before going to Europe he was home on a furlough.

ROYAL NEIGHBORS WILL GIVE PARTY TONIGHT

Ocean Beach Royal Neighbors announces a party at the Woman's clubhouse at 8 o'clock tonight (Friday) to which the public is invited. Dance, entertainment and refreshments are planned. Committee in charge includes Mrs. June Stevens, Mrs. Mary Fold and Mrs. Veda Moss, with Mrs. Ella Dawson to preside over the refreshment tables. During the floor show, Marian Nance will play the accordion. Mrs. Loraine Montana will be pianist for the community singing.
